

TRANSFER PATHWAY GUIDE 2024-2025

Associate of Arts To Bachelor of Science in Radiologic Science

Completion of the following curriculum will satisfy the requirements for the Associate of Arts (AA) degree at Cincinnati State (CState) and leads to the Bachelor of Science (BS) in Radiologic Science degree at Northern Kentucky University

Special admission requirements for Radiologic Science: Due to the limited number of clinical placements and the competitive and appealing nature of the program, the Radiologic Science program has a selective admission process. However, NKU's Radiologic Science program will also offer a direct admit option to anyone enrolled in this pathway who applies by the deadline and meets certain criteria. The annual application deadline is February 15 for the class that will begin in July of that year.

The radiologic science admission committee determines academic eligibility and ranks the applicants. Approximately 24 students total are accepted each year. The program does not maintain a waiting list that carries over from one year to the next; however, a small number of other candidates meeting the admission criteria may be placed on a waiting list in case vacancies occur prior to the beginning of "RAD 200 Introduction to Radiography (6 credits)."

To be considered for direct admission into the radiologic science program, students must meet the following requirements:

1. Satisfactory completion of the following courses with a grade of C or better in each course:
 - a. BIO 208 Human Anatomy and Physiology I - NS (4 credits) and BIO 208L Human Anatomy and Physiology I Laboratory - SL (0 credits).
 - i.

- c. ENG 101 College Writing - WC (3 credits).
 - i. Cincinnati State: ENG 101: English Composition 1
- d. Mathematics general education course ([STA 205](#) or [STA 205R](#) required for program completion).
 - i.

To earn a bachelor's degree at NKU, students must complete a minimum of 120 credit hours with at least 45 credit hours numbered 300 and above. In addition, at least 25% of the credit hours required for the degree and the last 30 credit hours must be completed at NKU. Students must have an overall GPA of 2.0 and meet all requirements for the major. In some cases, students must complete a focus or minor as indicated on the pathway.

Students in the CState2NKU program should work closely with their advisors when choosing courses. This document serves as a guide but does not replace academic advising. When choosing Cincinnati State courses, student may also consult the Associate of Arts advising brochure or the catalog for A and B list courses in Arts and Humanities or Social and Behavioral Sciences.

| CState Course | Course or Category | Credits | NKU Course | Completed |
|-----------------------|---|---------|------------------------------------|-----------|
| HIM 120 | Health Information Technology Systems | 3 | HIN 355 | |
| PHY 110 or TBS XXX | Health Physics or Directed Elective (if chose CHE 115) | 3 | PHY 100G + PLAB 100G TBD XXX | |
| TBS XXX | Directed Electives | 10 | TBD XXX | |
| | Total Associate Degree Credit Hours | 62 | | |

TBS XXX means to be selected by Cincinnati student.

TBD XXX means to be determined by NKU based on course selected at Cincinnati State.
